

Season's GREETINGS

On behalf of our entire team, management, and staff, we would like to extend to our friends, customers, and suppliers our sincere wishes for a safe, healthy and happy holiday season. We would also like to thank all our customers for their support and business in 2009. We are extremely proud of our accomplishments through a challenging 2009. World economic issues have affected the global, national, and regional print industry in profound and challenging ways. We are extremely proud of the positive changes we have made throughout the company and our affiliate companies that have made our past year successful and rewarding.

We look forward to the New Year with great anticipation. The economic climate is turning towards a positive direction and the changes we have made will prove to be very positive. In 2010 we will be adding additional strengths to our fleet of state of the art offset and digital equipment as well as new products that will be very positive into the future.

Once again, from all of us here at Leech Printing LTD thank you very much for your support and business in 2009.

We look forward to working with you in 2010.

*Merry Christmas and
Happy New Year!*
