On behalf of the Management, Staff and Families of Leech Printing we would like to extend a warm holiday greeting and thank you to our valued customers and friends for your support and business in 2008.

One year ago we announced the acquisition of Western Canada's only 10 colour, 29 inch printing press. After a terrific installation in early spring we are pleased to report that it has made a significant difference in our ability to serve our customers with excellent quality printing and increased efficiency.

Further upgrades throughout the year throughout our operations have proved to be extremely positive. In early 2009 we will be announcing further growth in our digital printing department with the addition of several new upgrades and equipment improvements.

Dedicated, loyal and quality staff are hard to find and even more difficult to keep. Management is extremely proud of our entire staff of 50 print professionals from our popular delivery man, Rick McDonald to our two new customer service members, Dianna Baker and Kate-Lyn Drewniak.

Regardless of all of the new equipment and technology upgrades we know it's the people that make it all work.

Thank you to all of our customers in Western Manitoba and beyond for making 2008 a very rewarding year.

From all of us here at Leech Printing, have a Merry Christmas and a New Year full of Happiness.

Holiday Trivia

The biggest selling Christmas single of all time is Bing Crosby's White Christmas.

A traditional Christmas dinner in early England was the head of a pig prepared with mustard.

The best selling Christmas trees are Scotch pine, Douglas fir, Noble fir, Fraser fir, Virginia pine, Balsam fir and white pine.

Artificial Christmas trees have outsold real ones since 1991.

During the Christmas/Hanukkah season, more than 1.76 billion candy canes are made.

"Jingle Bells" was first written for Thanksgiving and then became one of the most popular Christmas songs.

Take Our Kids to Work Day 2008

4 local students spend the day with Leech Printing

On November 5, Leech Printing was host to 4 local young adults who were taking part in the annual Manitoba **Take Our Kids to Work Day**. Over the course of the day, these students were introduced to the inner workings of a modern graphic communications and printing facility, learning about our company and its operating procedures.

Leech Printing staff enjoyed giving these students a glimpse of a typical day with the company, in many different capacities. The "kids" learned not only about the process of putting ink on paper, but also about the many other tasks involved in the day-to-day workflow of the company; sales and account management, customer service, graphic design and prepress, finishing, shipping and packaging. We thank our students for their efforts!
