Featured Product

Professional Website Design and Programming

If your company is in need of a website to market your products or services, provide information, or even sell online, Leech Printing and Innovative Media Group can make your vision a reality!

Whether you need a basic informational website or a dynamic e-commerce application, we'll put you in the driver's seat! Using our Content Management Systems, you and your staff are in control of your site, with no HTML or programming experience needed.

Call us today to find out more!

Ink Spots Rock the House at Wheatstock

The first annual *Wheatstock* was held on October 16th at the Great Western Roadhouse, and featured bands comprised of local businesspeople.

This innovative fundraiser was a product of the Brandon Area Community Foundation, and showcased bands from Assiniboine Community College, Meighen, Haddad and Co., Meyers Norris Penny, Investors Group, and of course, Leech Printing's own house band, the Ink Spots. The event was a great success, and the Ink Spots look forward to an encore at *Wheatstock* 2009!

Large Format Printing Ideas

If you've got big ideas, put them in print at Leech Printing! We'll create and print your graphics in almost any size, on almost any kind of media!

Rigid signs - text and graphics printed directly on wood, plastic, coroplast or foam-core. Great for indoor/outdoor signage, graphic panels, promotional displays and standups.

Flexible signs and banners - text and graphics printed on durable, high quality vinyl or canvas. Great for indoor/outdoor promotional signs, trade show banners and displays, wall graphics, and rafter hangers.

Adhesives - text and graphics printed on long-life adhesive vinyl, perfect for putting graphics on nearly any smooth surface - walls, floors, vehicles or glass.

Ice and window mesh - text and graphics printed on high quality nylon mesh which is created for window applications (adhesive), or under-ice use (in-ice graphics for hockey and curling ice).
