Featured Product

Indoor/Outdoor Vinyl Banners

Vinyl banners are great for sponsor recognition, temporary signs, advertising specials, trade show displays and much more.

Leech Printing produces these in any size and any quantity. Because we print in full colour your graphic options are unlimited.

We also carry a complete line of stands and display systems for trade shows, retail environments and hotels, including our popular retractable models which are compact, keep your banner safe and clean for transport or storage.

Ask your Sales Rep about vinyl banners, and our other large format printing options today!

A holiday gift your customers will treasure

Leech Printing is pleased to introduce an exciting new product for building your business in our region – the 2009 Westman Scenic Calendar!

For over a century, calendars have been used by companies large and small alike as a welcome and useful gift to existing or potential customers, and also an effective tool for strengthening customer relationships and awareness.

Your company name, phone number and website address are printed prominently on the bottom tail of each calendar, meaning your

customer will never have to search for your contact information – it will be right there on their wall!

The Westman Scenic Calendar is a beautifully designed 12-month wall calendar featuring stunning full colour photos of scenery and landmarks of the Westman region, taken by local photographers and exclusive to our region. Your customers will love them!

To find out more and get an instant price quote, call your Sales Representative today at 728-3037 or toll free at 1-888-756-4433.

Halloween Facts

Halloween candy sales average almost a billion dollars annually in Canada

The ancient Celts thought that spirits and ghosts roamed the countryside on Halloween night. They began wearing masks and costumes to avoid being recognized as human.

Bobbing for apples is thought to have originated from the roman harvest festival that honors Pomona, the goddess of fruit trees.

Tootsie Rolls were the first wrapped penny candy in North America.

Think Globally, Print Locally

Leech Printing offers environmentally friendly options

If you're concerned about the effects of printing and waste paper on the environment, you're not alone. Leech Printing is committed to offering

Ask about our wide selection of post-consumer recycled substrates – high quality paper and card stocks that are made with ten to one hundred percent post consumer recycled materials.

Leech Printing is also the only printer in Western Manitoba to be FSC Certified. FSC is an independent, non-governmental, not for profit organization established to promote the responsible management of the world's forests. Products carrying the FSC label are independently certified to assure consumers that they come from forests that are managed to meet the social, economic and ecological needs of present and future generations.
